ABSTRACT

Industrial Water Supply – Drawal of 0.015 TMC of water per year from Krishna River at Buggamadavaram (V) on Krishna Left Bank by M/s Zuari Cement Limited Dondapadu (V), Nalgonda District for industrial purpose – Permission accorded – Orders – Issued

IRRIGATION & CAD (PW: REFORMS) DEPARTMENT

G.O.Ms.No. 153

Date: 16-12-2009

Read the following:-

1. From the Engineer-in-Chief (Irrigation) I&CAD Letter.No. ENC(I)DCE.IV/OTM5/S2 824594/03, dated 7.5.2008.
2. From the Chief Engineer, Inter-State & Water Resources, Hyderabad, Lr. No. RCWR/DD(K)/7527/89.Vol.III, dt. 17-9-2008.

ORDER:-

In the circumstances reported by the Engineer-in-Chief (Irrigation) and Chief Engineer, I.S.&WR in the references read above, Government hereby accord permission for drawal of 0.015 TMC of water per year by M/s Zuari Cement Limited, Dondapadu (v), Nalgonda District from Krishna River at Buggamadavaram (V) on Krishna Left Bank Nalgonda District for an initial period of five years, subject to obtaining concurrence from District Collector Nalgonda, clearance from A.P. Pollution Control Board and payment of water rate as specified in G.O.Ms.No.39, I&CAD dated 2.4.2002 for consumptive use for industrial purpose, and subject to the following conditions:-

1. The requirement of 0.015 TMC water per annum to be utilized by M/s Zuari Cement Ltd., shall be against the savings from out of the utilizations within the frame work of the Bachawat Tribunal allocations.
2. The water drawn from the river shall be utilized for the purpose for which permission is accorded and any misuse in this regard will entail cancellation of the permission and imposition of penalty.
3. The firm should make their own arrangements for drawl of water with required equipment at their own cost as proposed by them.
4. The location and method of drawl from Krishna River and equipment to be installed and the structures proposed should be executed under supervision of Irrigation Department.
5. The return water after utilization must be brought to the standards prescribed by the concerned authority.
6. Water meter or suitable measuring device shall be installed by the beneficiary / firm to measure the water consumed and shall be made available to the Executive Engineer, Krishna Central Division (or) authorized representatives at all times for inspection. The meter shall be periodically calibrated and kept sealed. The periodicity of calibration will be specified by the Department.
